DONELSON
CORPORATE
CENTRE

Donelson Corporate Centre II

Available Immediately:

1,812 Square Feet

The Donelson Corporate Centre is encircled by a Self-Healing Fibre Optic Loop to support the most advanced high-volume voice communications and high-speed data systems. Each building has a back-up generator to ensure uninterrupted power service.

Inside, the large open floor plans accommodate limitless workspace arrangements and the indoor Air Quality System is state-of-the-art with a digital demand controlled climate system. Security is through a Card Key proximity reader with magnetic lock, designed to control access to the buildings at all times, 24 hours a day, 7 days a week.
